Definitely looks like **Ex. 5 Deliberative Process (DP)**. So I think **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP)

Good catch. I did not check – just used the number given in comment on that topic. We will do so.

Hi Elizabeth and John,

I've gotten through a fair amount of the response to comments and have not seen any real issues, but wanted to ask about one point. On page 14 the following is stated:

EPA Response to Unit III. – Comments Supporting Issuance of the EUP and Testing of OX5034. EPA

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)? A quick check of WHO and other sites suggests Yellow Fever kills about 30-40k annually (globally) and dengue considerably less. My guess is **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP)
